MESSAGE FROM OUR GOVERNOR

Welcome to the 2019-2020 Pilot Year!!

I am very honored to have the privilege to serve as your Georgia District Governor. I am looking forward to working with a great group of women on the DAC/DEC as well.

For my emblem this year, I have chosen the shoe, and the theme of "Walking Together in Friendship and Service." In choosing this theme I see that everyone of us in one form or another wear a different pair of shoes daily depending on what our job or activity for the day will be. Regardless of what shoe we wear we always have the opportunity to promote Pilot International, Georgia District and Anchors wherever we go.

This year as we "Walk Together" I have a focus of Recruit, Retain and Regain membership. Recruit new members through club visits and inviting them to projects to actually see what we do other than when we have monthly meetings. Retain our current members by being diligent to mentor new members and keep all members involved and up to date. Regain members that for various reasons left the club, maybe the reason or reasons they left before are not valid anymore and they may just be waiting on someone to invite them back.

We can obtain these goals while always promoting the A,B,C's of Pilot. I look forward to working with each Region, Club and Member in the coming year.

Please share your membership ideas, service projects, fundraisers and upcoming events with the rest of the Georgia District so we may share the successes and ideas with one another. Submit items to be included in the Governor's Bulletin to jlackey@uga.edu.

"Walking Together in Friendship and Service",

Jayne

INSPIRATIONAL MESSAGE

I'm back! What a tremendous honor and blessing to have been invited to serve again as the inspirational leader for Gov. Jayne's year - "Walking Together in Friendship and Service" is the theme to guide us this Pilot year. There are lots of different shoes out there and lots of different times that we will wear one type shoe over another; but the message of "walking together" takes on a whole new meaning when we "walk together" for Pilot - whether it be in a club meeting, a fund raiser or doing a project...when we walk together, we can - and we will - make a difference! So as we start our year of "walking together", let me share this poem with you:

**Shoes
(by Anonymous)**

My father has a pair of shoes
So beautiful to see.
I want to wear my father's shoes.
They are too big for me.

My baby brother has a pair
As cunning as can be.
My feet won't go into that pair.
They are too small for me.

There's only one thing that I can do
Till I get small or grown.
If I want to have some fitting shoes
I'll have to wear my own.

JoAnn

LACING OUR SHOES WITH LEADERSHIP

The word leadership is defined as the action of leading a group of people or an organization. An unknown author writes, "Leadership is not a position or title; it is action and example."

This year as we "Walk Together in Friendship and Service" into our communities, we will use leadership skills to guide our Clubs. It is important that we remember our Code of Ethics, mission, purpose and goal as we serve those within our individual Clubs and throughout our communities. Watch your Club flourish when you utilize members strengths, listen to their ideas, keep members informed and unified? These helpful tips will serve as a guide to assist your club as you prepare for a successful Pilot year!

Susan Harbin
Governor-Elect
Pilot Club of Lavonia

Hello Pilots. As your 2019-2020 Governor-elect, I would like to tell you a little about myself. I recently served as 2018-19 Northeast Region Lt. Governor. I served two other times at the Georgia District level. I was GA District Treasurer for past Governor Patricia Whatley and past Governor Judy Jackson (2013-15) and GA District Secretary one term for past Governor Patricia Canup (2006-07). At the time of my retirement, I was CFO/Treasurer of Patterson Pump Company located in Toccoa, Ga I had a wonderful career and was lucky to be able to retire early.

My husband, Harold and I have a blended family. Our son Kevin and his wife Beth have two daughters, Blaire and Brynn, who are in elementary school. Our daughter April has a daughter, Elaina, who is in college and a son, Zachary, who is now working. We are members of Lavonia First United Methodist church. We volunteer with the community food bank, Power of Hope, and our respective credit unions. I am also an advisory board member of Northeast Georgia Healthcare Systems.

Pilot has been so good to me. I have made lifelong friendships. Each time I go to fall council, district convention or our International Leadership Conference, I feel like I am going to visit family. I love that I learn something each time I am with other Pilots. I am so excited for this New Year and can't wait to see what is in store for us walking together in friendship and service.

Jayne Lackey
Governor
Pilot Club of Madison County

I am retired from the University of Georgia, 30 years.

My husband Randy is also retired from the University of Georgia, 38 years. We now raise cattle, doesn't sound like retired does it??

We have a daughter and a son, both married and we have 2 granddaughters, one in college (our daughters) and one that just completed kindergarten (our sons).

I enjoy Pilot and all it stands for and have made MANY lifelong friends along the way.

I do enjoy spending time with family, shopping (as is shown with the shoes I have accumulated), the beach, the mountains, fishing and just going in general, Randy says if the car is running, I am ready to go (nothing wrong with that).

Jenni Overbey
Secretary
Pilot Club of Winder

My name is Jenni Overbey and I am happy to serve as Georgia District Secretary this year.

I have been a member of the Pilot Club of Winder for 31 years, and I believe in what Pilot is and in what we do. I have served in all positions in my club and am currently club treasurer. I also served as NE Region Lt. Gov. for two years and that was truly an honor.

I am an Army Brat and started my journey in Germany, when my Dad was stationed there. I have lived in many different states and attended 12 different schools from kindergarten through college, which provided me with many life lessons.

I have been married to my husband (and Pilot), Tery, for 38 years and we have one daughter and one granddaughter. We are so happy that their family live less than two miles from us.

Thank you for placing your trust in me to keep accurate records for our District for the 2019 - 2020 year

GA Pilots getting ready to work on the PI Service Projects

DEC/DAC at Council of Leaders in Chicago

Connie Moorehead
Treasurer
Pilot Club of Oconee County

I am Cathy Moorehead, 2019-2020 Georgia District Treasurer. I have been married for 46 years. I have two adult married daughters. One in Minneapolis with her 6 year old grandson and one in Birmingham with her 8 month old grandson. I am an Elder and Sunday School teacher at First Christian Church in Watkinsonville. I enjoy singing, going to the beach, traveling in general, playing with my grandsons and three cats. I have been in Pilot for 10 years. I work fulltime as office manager for a dental office.

Durrett Moerman
SE Region Lt. Governor
Pilot Club of Brunswick

Good Morning Pilots – Welcome to our new Pilot year. It looks to be the best year yet. When I joined Pilot (a million years ago), you were invited to a meeting and then let left hanging while the club discussed and voted on you! I joined the Brunswick Club in 1977 and was told a Pilot never says no – so immediately was put to work. At this point, I have been a member of five different clubs and have held every office in the club. I have served on numerous District committees as well as been District Chaplain and Anchor Coordinator. My favorite position was Navigator Chair for International Convention, which I did for many years. We had fun while you Pilots were in meetings. Married with four children, my family has been totally involved attending meetings, conventions, and helping with projects and fundraising. Pilot is a family tradition and one we all enjoy!

Beth Copeland
EC Region Lt. Governor
Pilot Club of CSRA

Greetings, Georgia Pilots.

I am pleased to be able to serve the East Central region of the Georgia District. I live in Augusta and have been a Pilot for 33 years. I have served on the BrainMinders Committee for Pilot International. My husband and I have enjoyed many years of Pilot and other volunteer activities together. We enjoy travel, both in the US and abroad. I hope to make many new Pilot friends as I visit the clubs of this region. I look forward to learning about your clubs and working together to create a stronger Pilot organization.

Barbara Ridley
NW Region Lt. Governor
Pilot Club of Haralson County

Hi, I'm Barbara Ridley, a member of the Pilot club of Haralson County. I joined Pilot club several years ago because I was interested in the GA Artist with Disabilities project. Our local club did not do that project but we do sponsor an artist every year.

I live in Haralson County near Tallapoosa GA where my husband of 46 years (now deceased) and I raised our family. I retired as the Tax Commissioner of Haralson County at the end of 2016. I have been working on my bucket list to travel and become more active in Pilot.

Over the years I have held the offices of President, President Elect, Treasurer, Secretary and Director several times. It has been a great experience and I have learned so much from our many projects.

I am very excited to serve as the NW Lt Governor this coming year. I'm looking forward to visiting and working with each club as soon as possible.

My goal for Pilot in the coming year is attracting new members who share the Pilot International interest in community service as we make new friends and have fun.

Do more, care more, bring more.

Let's Meet Our DEC

Lorena Perry
SW Region Lt. Governor
Pilot Club of Ocilla-Irwin County

I am honored to serve as Lt Governor of SW Region. I am looking forward to club visits and hope you will invite me to your Projects and Fund Raisers. I am committed to working with each Pilot Club in SW Region and Georgia District.

I live in Fitzgerald however I am a member of the PC of Ocilla-Irwin County. I have been a member of Pilot for 14 years. I am retired from AT&T and JC Penney. After I retired I worked at Dianne's Fashion in Ocilla for a number of years. I am a cancer survivor and I have been cancer free for 8 years. I enjoy being a member of the PC of Ocilla-Irwin County and working on their many Projects and Fund Raisers. I also enjoy shopping, playing bridge and working with my church.

This is going to be a great year for SW Region as we are WALKING TOGETHER IN FRIENDSHIP AND SERVICE. I know SW Region will have a great year as each Pilot Club work together to achieve their goals and plans for 2019-2020. One of my goals for SW Region for the coming year is attract new member for our clubs. I also look forward to a great year of fellowship and service.

Avaline Adams
NE Region Lt. Governor
Pilot Club of Lavonia

I would like to take this opportunity to introduce myself as the Northeast Region – Lt. Governor and a proud member of the Pilot Club of Lavonia. I retired in September, 2017 after 20 years of service with First Citizens Bank as Branch Manager and Loan Officer with a total of 40 years in the business sector. I loved my banking career, but I absolutely love retirement. I now have an opportunity to spend more time with my family and friends that I cherish.

My husband, Larry and I live on a farm outside the small rural town of Carnesville where he grows beef cattle. Larry retired after 30 years with American Airlines as a Pilot and returned to farming, his second love. We have 2 grandchildren that live very close by, Willow, 10 and Shiloh, 7 that I get to spend lots of time with and love it! Larry and I enjoy exploring parts of the United States we have never seen and look forward to seeing even more in the coming years.

I am very excited to serve as your Lt. Governor for NE Region. I look forward to club visits and getting to know each club and members more. Please invite me to your projects and fundraisers as they are planned throughout the year.

It's going to be a great year, "Walking Together in Friendship and Service".
