GOVERNOR'S BULLETIN EDITOR
Kirsten Jorgenson, (404) 202-6862
kajorge@yahoo.com

Pilot service is at the heart and soul of what we do. Thank you for continuing to serve your communities in the name of Pilot during this pandemic. I am Pilot Proud and know that you are too. We are asked to promote the Pilot brand by wearing our shirts on Saturdays during this Pilot year as we did last year. I ask that you use the hashtag #PilotProud and #PilotSaturday when posting your photo on social media. Let's continue to get our name out in our communities through our service and our social media.

International President Peggy Benton had a beautiful Zoom installation service on July 1. It was good to see so many Pilots that evening – we started at 9:00 p.m. Past International President and current International Parliamentarian Judy Breaud was installing officer. Past International Presidents and Appointees were introduced. Each Governor was called to state their name and district after which Judy Breaud issued a charge to us, inducting us into the International Administrative Council. President Peggy introduced her motto - "Pilot International - Be the One to Guide Me".

I am looking forward to reading your Plans of Work due August 15. Please be prompt in sending the Plans of work, as they will be used to help the DAC/DEC access the clubs, especially this year when club visits may take on a different look. If your club is not meeting physically but by any other means, your region Lt. Governor could do your official visit via Zoom or conference call rather than a face to face. We will need to be flexible this year as the need arises.

We are full speed ahead planning Fall Council. We are optimistic that we can be together. Current plans are to hold Fall October 2-4 at Epworth By the Sea, St. Simons Island, GA. The Pilots of Northwest Georgia will be the host. This resort and conference center has offered us special rates for the weekend. The registration cost is all inclusive of registration, food and hotel and is based on two people sharing a room. Find your roommate and register. This is a great opportunity for enjoying your fellow club members in the beautiful, outdoor setting that Epworth offers. The registration form and Fall Council flyer are attached. Please note the deadline for registration of August 28. This is our first visit to Epworth; it should be a wonderful, celebration for Pilot – come to Epworth, wear your pearls and enjoy Pilot fellowship. We have been away from each other for way too long.

Treasuring your Service,

Susan

The Pilot Club of Lavonia installed their 2020-2021 officers at their June meeting. Installation was led by Susan Harbin, GA District Governor.

INSPIRATIONAL MESSAGE

As we get up each morning and look out our windows of life, we see the beauty that has been created for us, dew on the grass, and flowers bursting with colors. Hearing the birds sing their own songs, it's just amazing what has been created for us to enjoy.

Lilies of the Valley

Consider the lilies, they don't toil nor spin
But there's not a King with more splendor than them
Consider the sparrows, they don't plant nor sow,
But they're fed by a master, who watches them grow,
Let me introduce you to this friend of mind,
Who hangs out the stars and tells the sun when to shine,
And kisses the flowers each morning with dew,
But He's not too busy to care about you.
He really cares when your head is bowed low,
Consider the lilies and then you will know.

Matthew 6:28

And why take ye thought of raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin:

Your Inspirational Leader,

Vonnie

GETTING TO KNOW YOUR ECR – LISA PATTERSON

Lisa lives in Andalusia, AL with her husband of 39 years, Scott. She and Scott raised two fine sons, Justin and Kyle. Justin is married to Kelee and together provided Lisa and Scott three fine grandsons (Will-6, Wes-3, and Walt -1) and currently live in Pensacola, FL. Kyle was scheduled to marry Danielle last May 2nd in Red Rocks, CO when COVID-19 forced a delay, but I'm sure it is coming soon. Kyle and Danielle currently live in Tampa, FL.

Lisa has been involved in Pilot for the last 15 years. She is a member of the PC of Prattville, Alabama District. Her first PI Convention was in San Diego and has missed only one convention since. She loves getting to meet and know Pilots from around the world. Lisa served as Governor of the Alabama District in 2015-2016. She has served Pilot on several International Committees, as PI Leadership Coordinator, PI Director (2 years) and this is her second year as PI Treasurer.

Lisa has held about every kind of job there is from fast food while in high school to real estate agent and every office job in between. She has a Computer Programming Degree and Paralegal Degree, but never worked one day as a computer programmer or paralegal. Instead, she spent 23 years in the college setting as Human Resources, Legal Affairs and Payroll Clerk at a college in North Alabama before relocating to South Alabama and work at another college as Administrative Assistant in Advertising, College Photographer, Advertising Specialist, Webmaster and College Foundations Financials.

Lisa retired three years ago and now her only jobs are housewife, GiGi, and Pilot!

Please feel free to contact Lisa if she can be of help.

MESSAGE FROM OUR SECRETARY

What is the main duty of the Secretary in our clubs? The Secretary has a very important responsibility of preserving the history of your club by keeping accurate records.

My goal for this year is to continue keeping accurate records for Georgia District. I will be taking minutes at official District meetings, but I will also continue to keep accurate membership information. In order for my records to be correct, I will need every club's help.

Whenever there is a change in the club's membership a Notification of Change in Membership Information form must be completed. This includes new members, resigned members, status changes, address changes and deaths. The form should be mailed to Pilot International with copies to the Georgia District Treasurer, Governor, Governor Elect and Georgia District Secretary. If a new member has been added, dues should be mailed with form to PI and to GA District Treasurer, Cathy Moorehead. Whenever possible email copies. That saves money and time!

Please remember it is important to keep accurate records. We want to make sure all of our "Pearls" are collected and counted in our awesome Georgia District!

Treasuring Pilot Service,

Avaline

GA District Secretary
pch1381@netscape.net

THE MISSION OF PILOT INTERNATIONAL IS: Pilot International's mission is to influence positive change in communities throughout the world. To do this, we come together in friendship and service, focusing on encouraging brain safety and health and supporting those who care for others.

MESSAGE FROM OUR ECR

Greetings Georgia Pilots!

I am so excited to serve you as your Executive Committee Representative and I look forward to meeting as many of you as possible at Fall Council.

We did not have our annual Convention and Leadership Conference in Atlantic City, but we still had Council of Leaders and district officer training. Ninety-two district officers and Executive Committee Representatives participated via Zoom. This shows what dedicated leaders we have in Pilot. Fundraisers, fundraisers, fundraisers! Not holding convention did not keep us from raising money. Raffles included PIFF progressive cash, Co-Pilot Calcutta, Reflection of Serenity, and limited edition convention photo books. Pilot International officers were elected and installed. A budget was passed. None of this was done in the normal Pilot fashion. The challenge of learning new ways to handle Pilot business was accepted and met.

We can't walk side by side in Atlantic City, but we can walk together as Pilots wherever we are. The 2020 Convention PIFF Walk will be combined with the Pilot Walk on October 3, 2020. Join with your fellow Pilots and raise Pilot awareness and support the Pilot International Founders Fund. You still have time to order your Walk Shirt. All orders must be submitted by August 14, 2020. Shirts will be mailed to you after September 1, 2020. There is another incentive to buy a Walk T-shirt. Wear it to pick up your registration packet at the 2021 Annual Convention and Leadership Conference next year in Atlanta, Georgia and receive a prize.

We are in our 99th year of Pilot Friendship and Service. Start making your plans to attend the 100-year anniversary convention in Atlanta, Georgia, July 7-11, 2021. You will not want to miss the fun and fellowship of this momentous convention.

Keep wearing those Pilot shirts on the first Saturday of the month. Show your Pilot spirit and increase Pilot visibility. Continue to grow your membership. The district with the largest percentage of new members in 2020-2021 will be recognized in Atlanta, have their picture in the Fall issue of the Pilot Log and receive \$100.

Please consider applying for Pick Me Up Grants and Helmet Grants. Pick Me Ups are a great way to uplift and appreciate those who care for others. Pilot International Helmet Matching Grants will provide your club with an opportunity to participate in our Signature Project. Applications can be found on the PI website and are due September 15 for this quarter.

It is time to name a Pilot Ambassador. A donation to PIFF and the Ambassador's name is due by September 30. The donation helps fund Pilot's Safe Harbor grant program. Your Ambassador's name will appear in the Pilot Log. PIFF matching grant applications are due October 15. Matching grants are a good way to fund projects in your community.

Pilot International – Be the One to Guide Me. Let's make 2020-2021 a great year!

In Pilot Service and Friendship,

Lisa

GA District ECR
lbpatterson72@gmail.com

Pilot Club of Sweetwater members attended the Memorial Service for Jim Smith, Co-Pilot to member Gail Smith. Gail exemplifies the true meaning of a caregiver: a person who is patient, compassionate, attentive, dependable and trustworthy. Gail a retired nurse showed all of these traits while she attended to not only her husband's needs but her fathers as well, before he passed away before her husband Jim.

Pictured: Charles Whatley, Patricia Whatley, Deborah Wilson, Joyce Nelsen & Club President Pat Garner

PG/Lavonia member Pat Canup presented Governor Susan with a etched cheese bell and two Belleek mugs to honor Governor Susan.

Lavonia Club member Sue Heath presented District Secretary/Lavonia member Avaline Adams & Governor Susan art that she designed for them.

GEMS FOR MEMBERSHIP

Our Pilot Treasures

We are starting off our new Pilot year facing the dilemmas of a pandemic. Membership has taken on the challenge of just getting together in a safe manner. Who would have ever thought that friendship and service could be so difficult to maintain? It has made communication with our members even more critical.

While some members are comfortable with physical meetings in small groups, wearing masks, social distancing, and/or staying in outdoor venues, there are people that are scared to death to venture out in the public. We must respect all of our member's decisions and be more inventive in the way we communicate with all our current members. Social media is a great way to communicate safely! Using Face Time, Google Duo, or Zoom you can bring members together while still remaining home in a safe environment. Emailing agendas and minutes of the meetings and putting information about the club and members on a Facebook page is another way of keeping members up to date. Make sure that your club newsletter and the Governor's Bulletin reaches all members. And, remember the personal touch of a phone call can really help those who are more isolated.

Your club members are your team – keep your team together by supporting one another, assisting those in need, and being part of the solution. Share some enthusiasm and energize your members. Now, more than ever, it is important to stay in touch and keep our members, our Pilot treasures, strong.

Pilot Club of Chatsworth Awards Scholarships

Members of the Pilot Club of Chatsworth are pleased to announce the following high school students as recipients of the annual Pilot Club of Chatsworth Student Scholarships: Andrea Starr Long, Murray County High; Meagan Glenn, North Murray High; and Morgan Leann Green, Pleasant Valley Innovative School. Each of these outstanding young ladies received \$300 to further her education goals after graduation. The Pilot Club members congratulate these scholarship winners and wish each young lady the best of luck in her future!

The mission of Pilot International is to influence positive change in communities throughout the world. The Pilot Club of Chatsworth continues to embrace this mission by working in our local community through our service and commitment to help in any way possible using our time, money, and talents.

DEVELOPING YOUR PEARL FOR ANCHORS

Anchors are a Treasure of Pilot...

What a blessing of opportunity Pilots have... to pour into Anchors... our future leaders! I am humbled to serve as the Georgia District Anchor Coordinator this 2020-21 year. There are so many hidden treasures in our young adults. I look forward to seeking them over the next year as we build greater relationships within our communities as we strive to Do More, Care More and Be More! If you have not invested in your local Anchors personally, I encourage you to make a commitment to do so this year. There is much reward in working with these pearls and much to learn from them as well.

Please be a jewel and make sure that I have the correct contact information for your club. I will need both the Anchor Coordinator and your Anchor Advisor's contact information. I ask that you start encouraging your Anchors to start planning right away to attend our Annual Anchor Convention at Great Wolf Lodge in LaGrange, GA.

Our Anchor Board will be meeting on Saturday, August 1st to start planning the specifics for our year, so look for information to come your way soon!

"There are amazingly wonderful people in all walks of life; some familiar to us and others not. Stretch yourself and really get to know people. People are in many ways one of our greatest treasures" ----Bryant H. McGill
